

10.9 The institution ensures the quality and integrity of the work recorded when an institution transcripts courses or credits as its own when offered through a cooperative academic arrangement. The institution maintains formal agreements between the parties involved, and the institution regularly evaluates such agreements.

*(Cooperative academic arrangements)*

Compliance                       Non-Compliance

**Narrative:**

Sampson Community College (SCC) does not contract with any other entity in cooperative academic agreements. Every course recorded on institutional transcripts is a SCC course, taught by SCC faculty. The College retains full responsibility for the quality and integrity of all courses and programs including the curriculum, the student learning outcomes, and the delivery method of instruction. SCC does not maintain any formal agreements that must be regularly evaluated.
