

SAMPSON COMMUNITY COLLEGE

MEDICAL ASSISTING

HEALTHCARE PROGRAMS

The Medical Assisting curriculum prepares multi-skilled health care professional qualified to perform administrative, clinical, and laboratory procedures.

Course work includes instruction in scheduling appointments, coding and processing insurance accounts, billing, collections, computer operations; assisting with examinations/treatments, performing routine laboratory procedures, electrocardiography, supervised medication administration; and ethical/legal issues associated with patient care.

The Medical Assisting Diploma Program is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Medical Assisting Exam Review Board. Employment opportunities include physicians' offices, health maintenance organizations, health departments, and hospitals.
