STUDENT ACKNOWLEDGEMENT

I understand that I must complete this application in its entirety and submit along with supporting documents to Student Services by MARCH 15th to be considered for the fall semester. I understand that it is MY RESPONSIBILITY to see that my file is complete and that all deficiencies have been removed.

I understand that I must make a grade of "C" or higher in each of the courses listed below to progress into or through the nursing program. A grade lower than a "C" removes me from consideration for admission and will also prevent me from progressing through the nursing program.

I understand that I will submit to criminal background checks and drug screening upon admission to the program or the Nursing Assistant (NAS) courses as directed by affiliating clinical agencies. The results of the background check and drug screen may determine if I am eligible to enter clinical agencies. I understand if a clinical site denies my placement in their facility, I would be unable to complete the required clinical components of the course and will be withdrawn from all NUR and NAS courses and will not be allowed to progress in the program.

I have provided a copy of my:
