

the VIRTUAL VIKING

Sampson Community College's QEP Newsletter

Introducing *The Virtual Viking*

Your QEP Team will be sending out bi-weekly updates in the lead-up to our on-site SACSCOC visit to keep you in the know about the latest Viking Crew news. Check this newsletter out to find out about upcoming QEP events, to access online learning tools and resources, and to have a bit of Viking-style fun.

What's New with the QEP?

The QEP Team administered a focus group for the Crew Course with Sampson Early College High School freshman. All incoming freshman took the course and submitted an evaluation of their experience. The team will take this information into account to make adjustments to the course as they plan to roll it out to the full population in the spring.

Viking Pride Spotted

Arts & Sciences Crewmates were seen sporting their Viking Crew merch in an accidental twinning incident last week. Have you peeked someone supporting the QEP? Send us pics!

Online Teaching Resource of the Week
